Put your message in our programs which we pass out at every concert

This year marks our 25th Season of providing high quality music education for the children of WNY and first-class concert experiences for the WNY public at large. We exist in large part because individuals like you in our community recognize the educational and entertainment benefits of this experience!

You may provide text and/or graphics to show your support for that special member of the Choir. We will accept camera-ready designs or we can create a space for you and design your message to fit within it. This will be seen by hundreds of audience members at each of the concerts below

Web Promotion Included! We have recently updated our website and are now able to offer our sponsors increased exposure.
