Family and Friends Patron Form PUT YOUR MESSAGE into our programs!

Your message will be in each ABC program which we pass out at every concert.

This year marks our 27th Season of providing high quality music education for the children of WNY and first-class concert experiences for the WNY public at large. We exist in large part because individuals like you in our community recognize the educational and entertainment benefits of this experience!

You may also provide text and/or graphics to show your support for that special person or persons in the Choir. We will accept camera-ready designs or we can create a space for you and design your message to fit within it. This will be seen by hundreds of audience members at each of the concerts below
